

# HEY, YOU!

That's right, I'm talking to ***you***. If you're under 30, chances are you don't have health insurance. And you may not be aware of all the ways you could have affordable, high-quality health care coverage:

**PARENTS' INSURANCE** If your parents' plan covers children, you can be added to it or stay on it till you are 26.

[Learn more](#)

**STUDENT HEALTH PLAN** Most of these plans meet federal requirements, so you won't pay a fine for not having insurance.

[Learn more](#)

**MEDICAID** If, like many young people, you do not earn more than \$16,242 a year, you qualify for this state-run program.

[Learn more](#)

**AFFORDABLE CARE ACT** Even as a student, if you make too much for Medicaid, you may get a good deal through *HealthCare.gov* – and most likely you will qualify for financial aid for these plans.

[Learn more](#)

**CATASTROPHIC PLAN** If you think you're Superman, and only need insurance in case of big disasters, there is a plan for you!

[Learn more](#)

**With all the options there's no excuse to skip health insurance!**
